Our program mixes the best of both Washington and Silicon Valley, bringing together stakeholders in policy and technology to train the next generation of policy entrepreneurs.

Betsy Cooper | Director
Betsy Cooper is founding Executive Director of the Aspen Tech Policy Hub. Previously, she was the founding Executive Director of the UC Berkeley Center for Long-Term Cybersecurity and was a policy and legal counselor at the Department of Homeland Security. Betsy has a D.Phil from the University of Oxford and graduated from Yale Law School. In her spare time she likes to run experiments to see if her digital devices are listening to her.

About the Aspen Tech Policy Hub:
The Aspen Tech Policy Hub is a Bay Area policy incubator, training a new generation of tech policy entrepreneurs. We take tech experts, teach them the policy process, and support them in creating outside-the-box solutions to society's problems.
